

## Slide 6 — Business Model

We partner with brokers globally

Revenue streams:

- CPA partnerships
- revenue share
- enterprise platform licensing

We become the **AI intelligence layer** integrated with brokers.

## Slide 7 — Market Opportunity

Global retail trading:

100M+ traders

Forex market alone:

**\$2T+ daily trading volume**

AI decision intelligence can become the **standard analytics layer** for trading platforms.

## Slide 8 — Vision

ust as **Bloomberg** became the intelligence layer for finance,

VibeTrader aims to become the **AI intelligence layer** for global trading.

## Now Apply the Conversational Pitch Method

Here is **exactly** how you would present this deck.
